

BRCA Frontie Tyre list – 28/02/2020

The following list of tyres are approved for use in the Clubmans Frontie class for 2020. As the year goes on new tyres that become available and fit the requirement of having a tread in the running surface maybe added.

Only 2 sets are allowed for the race day and will be marked.

The same wheel and tyre type and compound must be used on the 4 corners of the car. No mixing of different wheels or tyre type is allowed.
