

## Contact Control Tyre 10% off Deal

Last week we mentioned that we were on the edge of a deal on the Contact Control Tyres. We are pleased to announce this is now in place and is available to members of the Stafford RCMCC alone.

M B Models have kindly offered the club the following deal:

M B models are offering a **10%** discount on orders placed for the Contact Control Tyres. There is a special code for you to enter when ordering from them.

This code is available from either **John Robson** or **Mike Dennison**.

If you place an order for or including the Contact Control Tyres when you enter the code it will take the 10% discount off the tyres.

**These tyres are eligible to run in the upcoming Stafford RCMCC GT12-F1 league**

**This deal applies to the following part numbers.**

Atom and Zen GT cars (3 stud fixing)  
Front Tyres  
**JGCF**  
Rear Tyres  
**JGCR**

Supastox and Supastox GT cars  
Front Tyres  
**JMCF**  
Rear Tyres  
**JMCR**

**PLEASE NOTE THIS IS FOR MEMBERS OF THE STAFFORD RCMCC ONLY  
(M B Models hold a membership list of Stafford RCMCC members)**

Please note you can order lots of other lovely goodies at the same time as your tyres  
(it will only take the discount off the tyres)

We would like to thank M B Models for this offer and for all the support they have given the club.
